June 24, 2026—**Diplo’s Major Lazer**, the boundary-pushing global pop force, unveil their highly anticipated new track “**pAPi wiTH tOKisCha**” featuring Dominican superstar **Tokischa**. Listen [HERE](#) and watch the official music video [HERE](#).

The hitmakers began teasing the track at shows and pop-ups across the globe, including an impromptu set in an abandoned lot in Miami for only 200 fans. Tokischa joined Lazer for the song’s first live performance at their headline **Ultra** set, and her appearance at Lazer’s main stage **Coachella** set—to over 80,000 attendees—created even more excitement for the song.

While out at Coachella, Lazer and Tokischa ventured deeper into the desert to capture the track’s energy in an electric new music video. Directed by **Cambron Lyles** and **Alex Ferzan**, the video also incorporates footage from the Miami pop-up, bringing Lazer’s live chaos to the screen.

In the midst of their first extensive touring in seven years, Lazer has taken their signature electricity to festivals over the world, returning to huge crowds at **Governors Ball** and **Bonnaroo**. Upcoming dates include **Lollapalooza**, **Osheaga**, **Pukkelpop** and more. Anchored by stage production from acclaimed creative director **Mike Carson** and
